Companies that are doing privacy properly

 **codat**

“Trust Keith wasn’t just another vendor. From the start, it felt

like you understood what we needed and actually cared about getting it right.”

Josephine Robinson, Information Security Director at Codat

How Codat unlocked insurance savings through smarter privacy.

You're in good company

“Trust Keith wasn’t just another vendor. From the start, it felt like you understood what we needed and actually cared about getting it right”

Josephine Robinson
Information Security Director
at Codat

“We tried working with another provider, but it didn’t feel like a partnership. With Trust Keith, we got the software and real experts who actually understand our business.”

Mandy Kerley
COO at Trickle

“Trust Keith is the oil in our compliance machine. It makes everything move easier.”

Caitlin O'Connell
Senior Business Partner at
Ocean Bottle

"We came off the first call and were like, oh my God, these guys are really good. You knew what you were talking about and we just really liked you."

Zoe Stein
Operations Lead at
BBC Maestro

"It felt like Trust Keith got us from the outset. You were already invested in us as a partner... Your approach wasn't cookie cutter. You'd clearly listened to what we said we needed, and tailored everything to us"

Helen Laver-Sterry
Head of Legal &
Business Affairs at
BBC Maestro

"We didn't want something we'd outgrow or be left managing solo. Trust Keith just got our challenges — and offered a setup that works for now and what's next"

Alisa Padhiar
Finance Director at
Thortful

Why companies choose Trust Keith
